

In Remembrance of Larry Plover

*Larry was an incredible, caring person.
He brought many smiles to the people he met
with his great personality, sense of humor,
entertaining banjo playing, singing and talented songwriting.*

*He was a great asset to our community,
lending his help to many organizations.*

*He was a good friend and an ardent supporter
of many of my local efforts.
I'm glad I had the chance to know him and
I'm thankful for all he did for me,
our community and the Hudson Valley.*

Larry will be missed dearly. - Sheila Mannese 5/8/09
